#### **DEFINITIONS OF SCHOOL RATING TERMS**

- Excellent School performance substantially exceeds the standards for progress toward the 2020 SC Performance Vision
- Good School performance exceeds the standards for progress toward the 2020 SC Performance Vision
- Average School performance meets the standards for progress toward the 2020 SC Performance Vision
- Below Average School is in jeopardy of not meeting the standards for progress toward the 2020 SC Performance Vision
- At-Risk School performance fails to meet the standards for progress toward the 2020 SC Performance Vision

#### SOUTH CAROLINA PERFORMANCE VISION

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

### Report of Principal and School

Washington Center, located in Greenville, South Carolina, is a public school serving approximately 146 students who have documented severe to profound intellectual disabilities. Many of these students also have serious medical conditions, as well as sensory and motoric challenges. Placement at Washington Center is based on IEP (Individualized Education Program) team recommendation, and students are transported from all across Greenville County on specialized buses. Qualifying pre-school children, ages three through seven, participate in Washington Center's early childhood program housed at an alternate location, Washington Center @ Hollis.

Washington Center's primary facility, completed in 2005, has eighteen self-contained classrooms, a multisensory suite, a multi-purpose gym and a media center, in addition to art, music, environmental science and daily living classrooms. Also available on the main campus are a greenhouse, an instructional kitchen and a speech lab. Washington Center @ Hollis has been specifically designed and equipped to meet the needs of preschool children. There are six classrooms, a multi-sensory suite, and a therapy area. Additionally, at both sites, nursing and speech language, occupational and physical therapies are provided, as are itinerant vision, O&M (orientation & mobility) and hearing services. Modern handicapped accessible playgrounds are available at the main campus and at Washington Center @ Hollis.

Academic instruction is aligned with SC standards, and students at designated grades are evaluated using the state's alternate assessment. In 2013-2014 teachers introduced the "Unique" curriculum which currently guides instruction. Unique lessons are supported by programs such as Mobility Opportunities via Education (M.O.V.E.) and adaptive environmental science and daily living skills. Additionally, augmentative communication and assistive technology are regularly incorporated into instruction, and classrooms are equipped with touch screen computers and interactive white boards.

Washington Center students participate in Special Olympics and Challenge Day on local university campuses, as well as numerous special events at school and elsewhere. Dog therapy is provided monthly; and, students have frequent opportunities to interact with nondisabled peers as a result of partnerships with local elementary, middle and high schools. Students 13 and up have regular off campus community based instruction, and high school students operate a weekly restaurant, "Seagull Grill", where they prepare lunch or breakfast to sell to the staff.

Communication with stakeholders is considered to be a priority at Washington Center. Parents receive frequent updates from teachers and administrators via newsletters, emails and personal notes; and, the school maintains a Facebook page and a You Tube account. Additionally, an annual "Report to Parents" and a quarterly newsletter, "The Seagull Express", which is also translated into Spanish, are published. A regular Friday afternoon telephone message from the principal summarizes the week's activities and previews upcoming events.

Business partnerships are essential to the Washington Center program in terms of both donations and volunteer hours. PTA and SIC members engage in fundraising and serve in advisory roles. Committed staffs, families and community friends are united in support of Washington Center's mission which is to provide opportunities for students to explore and develop potential for independent functioning and community involvement by addressing students' individual needs and creating partnerships with home, school and community.

# ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: http://ed.sc.gov/data/esea/ or request this information from your child's district or school.

Overall Weighted Points Total	38.3
Overall Grade Conversion	F

Index Score	Grade	Description
90-100	Α	Performance substantially exceeds the state's expectations.
80-89.9	В	Performance exceeds the state's expectations.
70-79.9	С	Peformance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

#### Accountability Indicator (Title I Schools)

Washington Center has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
